The guidelines and procedures of FAR Subpart 9.5 will be used in identifying and resolving any issues of organizational conflict of interest at the Task Order level.

In the event that a Task Order requires activity that would create an actual or potential conflict of interest, the Contractor shall:

- (a) Notify the OCO of the actual or potential conflict, and not commence work on any Task Order that involves a potential or actual conflict of interest until specifically notified by the OCO to proceed;
- (b) Identify the conflict and recommend to the OCO an alternate tasking approach which would avoid the conflict;

If the OCO determines that it is in the best interest of the Government to issue the Task Order, notwithstanding a conflict of interest, a request for waiver shall be submitted in accordance with FAR Section 9.503.
