

## PATRICK MARION

Vice President and General Manager, Naval Electronics  
Leonardo DRS

---

Patrick Marion is the Vice President and General Manager for our Naval Electronics line of business, bringing more than three decades of defense industry experience to the role. Patrick began with DRS in 2003 as the Vice President and General Manager of the Laurel Technologies business. In 2005 he took responsibility for the DRS business in Largo, Florida, which formed the core for the DRS Build-to-Print (BTP) business that became the DRS Maritime Systems and Services (MSS) division in 2013.

Prior to joining DRS, Patrick served in a variety of leadership positions with Lockheed Martin Corporation's Tactical Defense Systems and its predecessor companies Loral, Unisys, Paramax and Sperry. He holds a Master's of Business Administration (MBA) from the University of Saint Thomas, and a Bachelor's of Chemical Engineering (B.Ch.E.) from the University of Minnesota, Institute of Technology.
