

## JIM SCOTT

Vice President and General Manager,  
Global Communications & Security  
Leonardo DRS

---

Jim Scott is the Vice President and General Manager for the Global Communications & Security line of business. Prior to this appointment, he was President of DRS' Global Enterprise Solutions (GES) business group, as well as Vice President and General Manager for the Global Enterprise Solutions unit of the Aviation, Communications and Homeland Security (ACHS) group. In these capacities, Jim applied his leadership to provide a variety of solutions to U.S. and International Defense, Intelligence, Special Operations, and Federal/Civil Agencies, including Satellite Communications, IT and Network Solutions, IA/Cyber Security, Electronic Security and Access Control, and Aviation Maintenance.

Jim has spent more than 20 years in the defense industry, where he supported US operations at home and abroad, applying his engineering, operational, and leadership experience to deliver full lifecycle telecommunication systems, security and logistics operations. Prior to joining DRS in 2005, he served in Government Civil Service with the U.S. Navy - Space and Naval Warfare (SPAWAR) Systems Command in Charleston, S.C. and Stuttgart, Germany, as well as a Department of the Army Civilian at the Battle Command Battle Lab at Fort Gordon, Georgia. Jim also served in the Active U.S. Army as an Officer in the Signal Corps, holding a variety of communications and information technology leadership positions, and continued serving in the US Army Reserve. Jim holds a Bachelor of Electrical Engineering from the Georgia Institute of Technology.
