**Supplement 2 – Department of Defense FAR Supplement (DFARS) Government Contract Provisions**

1. When the products or services furnished are for use in connection with a U.S. Government Department of Defense prime contract or subcontract, in addition to the DRS General Purchase Order Terms and Conditions and the Supplement 1 FAR provisions, the following provisions shall apply, as required by the terms of the prime contract or by operation of law or regulation. The effective version of each Department of Defense FAR Supplement (hereinafter “DFARS”) clause shall be the same version as that which appears in Buyer’s prime contract (as amended) or higher tier subcontract (as amended) under which this Order is a subcontract. For the acquisition of commercial items under Orders placed in support of, and charged to, a U.S. Government Department of Defense prime contract or subcontract, the only DFARS clauses that are flowed down are those required by a particular DFARS clause to be flowed down, and those clauses are annotated with \*. For the definition of a commercial item, see FAR 2.101.
2. In the event of a conflict between these DFARS provisions, or the Supplement 1 FAR provisions, and the General Purchase Order Terms and Conditions, the DFARS provisions shall control.
3. To the extent applicable, Seller shall insert these provisions in selected lower tier subcontracts, either verbatim or in substance, and by incorporation-by-reference or otherwise, as appropriate.
4. In all clauses listed herein, the terms “Government,” “Contracting Officer” and “Contractor” shall be deemed revised to suitably identify the contracting parties herein and effect the proper intent of the provision except where further clarified or modified below. “Subcontractor,” however, shall mean “Seller’s Subcontractor” under the Order.
