

SALLY WALLACE

Vice President and General Manager, Naval Power
Leonardo DRS

Sally A. Wallace is the acting Vice President and General Manager for the Naval Power line of business, and has more than 20 years' experience, in roles of increasing responsibility, within the defense industry. Most recently, Sally had the position of President of the C4ISR Group within DRS. Prior to her appointment, Sally served as the Vice President of Business Operations for DRS Maritime and Combat Support Systems Group, as well as the Vice President and General Manager of DRS Power and Control Technologies.

Before joining DRS in 2002, Sally worked at Eaton Corporation and General Dynamics, Electric Boat Division. She holds a Bachelor's of Science degree in Engineering Physics from Grove City College, a Master's of Science degree in Mechanical Engineering from the University of Connecticut and a Master of Business Administration (MBA) from the University of Chicago.
