General Terms and Conditions of Purchase

Supplement 1 – Federal Acquisition Regulation (FAR) Clauses

1. When the products or services furnished are for use in connection with a U.S. Government prime contract or subcontract, in addition to the DRS General Purchase Order Terms and Conditions, the following clauses shall apply, as required by the terms of the prime contract or by operation of law or regulation. The effective version of each Federal Acquisition Regulation (hereinafter “FAR”) clause shall be the same version as that which appears in Buyer’s prime contract (as amended) or higher tier subcontract (as amended) under which this Order is a subcontract. For the acquisition of commercial items under Orders placed in support of, and charged to, a U.S. Government prime contract or subcontract, the only FAR clauses that are required by FAR 52.244-6 are those annotated with * after the FAR clause number. For the definition of a commercial item see FAR 2.101.

2. In the event of a conflict between these FAR clauses and the General Terms and Conditions of Purchase, the FAR clauses shall control.

3. Seller shall insert these clauses in selected lower tier subcontracts, either verbatim or in substance, and by incorporation-by-reference or otherwise as appropriate.

4. In all clauses listed herein, the terms “Government,” “Contracting Officer,” and “Contractor” shall be deemed revised to suitably identify the contracting parties herein and effect the proper intent of the clause except where further clarified or modified below. The clauses identified by ** after the title shall have their original meaning as written in the FAR; when identified by *** after the title the terms “Government” and “Contracting Officer” shall also mean Buyer and Buyer’s Purchasing Representative. “Subcontractor,” however, shall mean “Seller’s subcontractor” under the Order. Note: the terms “Government” and “Contracting Officer” do not change in the following circumstances: (i) when a right, authorization, or obligation can be granted or performed only by the Government, or a Contracting Officer or his/her duly authorized representative; (ii) in the phrases Government property, Government-furnished property, and/or Government-owned property; (iii) when title to property is to be transferred directly to the Government; (iv) in any clauses relating to the audit of Seller’s financial records; and (v) in any clauses relating to patent rights, or rights in technical data or computer software.

5. If any FAR clauses do not apply to a specific Order due to the subject matter thereof, such clauses are considered self-deleting. {Note: This self-deleting process does not apply to the CAS Clauses in Section L.}
