

## CARI OSSENFORT

Senior Vice President and General Manager  
Naval Electronics

---

Cari Ossenfort is the Senior Vice President and General Manager for the Leonardo DRS Naval Electronics business and brings more than 20 years of experience in the defense and commercial industries.

Most recently, Cari was the Leonardo DRS Corporate Vice President of Operational Excellence and Quality, responsible for the creation, evolution, growth, and strategy for that program.

Before her role leading the operational excellence program, she was the vice president and general manager for the L3 Infrared Products group leading the infrared focal plane business in Dallas, Texas.

Ossenfort is a trained engineer and has held multiple senior engineering, operations, and management roles in previous positions at Leonardo DRS, Raytheon, Texas Instruments and Avery Dennison. She received her engineering degree and master's in business administration from Auburn University.
