TERMS AND CONDITIONS FOR THE PURCHASE OF COMMERCIAL GOODS AND SERVICES
Leonardo DRS, Inc.

This document, together with any attachments appended hereto and/or referenced herein, constitutes the terms and conditions (hereinafter the “Terms and Conditions”) for the Contract between the parties, and acceptance is strictly limited to the terms and conditions contained herein. Any additional or differing terms, conditions or limitations of liability proposed by Seller, whether in a quote, acceptance or delivery document shall have no effect unless accepted in writing by Buyer. In particular, any limitation of liability or disclaimer of warranty proposed by Seller at any time is expressly rejected. Seller’s written acknowledgement to furnish the Goods or Services pursuant to these Terms and Conditions, or Seller’s commencement of such performance or acceptance of any payment relating thereto shall constitute Seller’s unqualified and irrevocable acceptance of these Terms and Conditions for the Contract.

1. Definitions:
Words, as employed in this Agreement, shall have their normally accepted meanings. The following terms shall have the described meaning:
(a) “Buyer” shall mean DRS and/or the entity identified as the Buyer in this Contract.
(b) “Contract” shall mean this Agreement, any special conditions appended hereto or documents incorporated herein as Exhibits, Addendum, Schedules, Annexes, or Appendices, and shall apply to any Purchase Order issued by Buyer to Seller.
(c) “Goods or Services” shall mean those goods or services identified in Attachment A to this Contract, which may be changed, from time to time by the mutual written agreement of the parties.
(d) “Purchase Order” shall mean the contractual instrument of which these Terms and Conditions are a part.
(e) “Seller” shall mean the party identified as the Seller in this Contract.

2. Price:
(a) Unless otherwise specified, the prices established by this Contract are firm fixed prices. Seller warrants that any unit prices charged herein do not exceed the unit prices charged by Seller to other customers in substantially similar transactions.
(b) In the event Seller is liable to Buyer for any amounts under or related to this Contract, Buyer may, at its election, set-off against any amounts payable to Seller under this Contract.
(c) Unless otherwise specified in the Purchase Order, shipping terms shall be FOB destination. Seller shall adhere to any shipping instructions contained in the Purchase Order.

3. Schedule and Delivery; Notice of Delay:
Seller shall strictly adhere to all Purchase Order schedules. Time is and shall remain of the essence in the performance of this Contract. Seller shall notify Buyer in writing immediately of any actual or potential delay to the performance of this Contract. Such notice shall include a revised schedule and shall not constitute a waiver to Buyer’s rights and remedies hereunder. Failure to adhere to delivery schedules shall constitute a breach of this agreement, and shall entitle Buyer to any remedy available at law. Buyer reserves the right to cancel the Purchase Order without liability to Buyer and without waiver of any other remedies of Buyer if delivery or performance is not as specified in such Purchase Order.

4. New Materials; Packaging and Shipping:
(a) All Goods to be delivered hereunder shall consist of new materials.
(b) Seller shall prepare and package the Goods to prevent damage or deterioration and shall use best commercial practice for packing and packaging of items to be delivered under this Contract, unless otherwise specified in the Purchase Order.

5. Inspection and Acceptance:
(a) Buyer’s acceptance of the Goods is subject to Buyer’s inspection within sixty (60) days after receipt at Buyer’s facility or such other place as may be designated by Buyer, notwithstanding any payment or prior test or inspection. No inspection performed by Buyer (and/or Buyer’s customer, if applicable) shall in any way relieve Seller or its suppliers of their obligation to furnish all Goods or Services in strict accordance with the Contract.
(b) Seller and its suppliers shall establish and maintain a quality control and inspection program. Any specific requirements are contained Attachment A to this contract. Subject to applicable national security regulations, Buyer and Buyer’s representatives shall have the right of access, on a non-interference basis, to any area of Seller’s or Seller’s supplier’s premises where any part of the work is being performed. Seller shall, without additional costs to Buyer, provide all reasonable in-plant accommodations, facilities, and assistance for the safety and convenience of the Buyer and the Buyer’s representatives in the performance of their duties.
(c) Seller shall keep and maintain proper and adequate inspection, test and related records, which shall be available for inspection by the Buyer or Buyer’s representative and shall allow copies to be made and extracts to be taken and shall furnish all information which may be reasonably required by Buyer or Buyer’s representative.
(d) Acceptance shall be conclusive, except for latent defects, fraud, or gross mistakes amounting to fraud.

6. Rejection:
If Seller delivers nonconforming Goods or Services, Buyer may, at its option and Seller’s expense: (i) return the Goods for refund or credit; (ii) require Seller to promptly correct or replace the Goods or Services; (iii) correct the nonconformance; or (iv) obtain conforming Goods or Services from another source. Buyer shall specify the reason for any return or rejection of nonconforming Goods or Services. Seller shall be liable for any increase in costs, including excess reprocurement costs, attributable to Buyer’s rejection of the nonconforming Goods or Services.

7. Invoices:
(a) Invoices may be mailed when Goods are shipped or when the Services are furnished, but the time for payment shall not commence until Buyer’s actual or scheduled receipt, whichever is later, of items at their destination or upon satisfactory completion of the Services.
(b) Buyer shall promptly pay Seller the amount due within forty-five (45) days of receipt of invoice, unless the invoiced amount is in dispute. Buyer shall pay any invoiced amount not in dispute. Buyer may withhold payment for shortages and/or non-conforming Goods or Services.

8. Changes:
   (a) By written order, Buyer may from time to time direct changes within the general scope of the Contract in any one or more of the following: (i) technical requirements; (ii) shipment or packing methods; (iii) place of delivery, inspection or acceptance; (iv) reasonable adjustments in quantities, delivery schedules or both; (v) amount of Buyer-furnished property; (vi) time of performance; and (vii) place of performance.
   (b) If any such change causes an increase or decrease in the price or in the time required for performance, Seller shall promptly notify Buyer thereof and assert their claim for equitable adjustment within thirty (30) days after the change is ordered, and an equitable adjustment shall be made. However, nothing in this provision, including any disagreement with Buyer as to any equitable adjustment, shall excuse Seller from proceeding immediately with the directed change(s). Changes shall not be binding upon Buyer except when specifically confirmed in a written Purchase Order or Change Order.

9. Force Majeure:
   Neither Buyer nor Seller shall be liable for any failure to perform under this Contract if such failure is due to events which are beyond the reasonable control and without the fault or negligence of such affected party. The following events, for illustrative purposes only, and without limitation, shall constitute force majeure under this Contract:
   (a) acts of God or of a public enemy
   (b) acts of Government

Each party shall give the other immediate written notice of any event that such party claims is a Force Majeure condition that would prevent the party from performing its obligations hereunder, and of the cessation of the condition. A party's notice under this Section shall include the party's good faith estimate of the likely duration of the Force Majeure condition.

10. Termination for Convenience:
   (a) Buyer may, by notice in writing, direct Seller to terminate this Contract or work under this Contract in whole or in part, at any time, and such termination shall not constitute a default. In such event, Buyer shall have all rights and obligations accruing to it either at law or in equity, including Buyer's rights to title and possession of the Goods and materials paid for. Buyer may take immediate possession of all work so performed upon notice of termination.
   (b) Seller shall immediately stop work and limit costs incurred on the terminated work.
   (c) Buyer, after deducting any amount(s) previously paid, shall reimburse Seller for the actual, reasonable, substantiated and allowable costs, plus a reasonable profit for work performed to date of termination, with the total amount to be paid by the Buyer subject to good faith negotiations between Buyer and Seller, but not in any event to exceed the lesser of $100,000 or the total price on the order for the terminated work.

11. Termination for Default:
   (a) Buyer may, by written notice of default to Seller, terminate this Contract in whole or in part, or, at Buyer's sole discretion, require the Seller to post such financial assurance as Buyer deems reasonably necessary, if the Seller fails to: (i) deliver the Goods or perform the Services within the time specified in this Contract or any extension thereof granted by Buyer; (ii) make progress, so as to endanger performance of this Contract; or (iii) perform any of the other provisions of this Contract.

Payment for completed Goods delivered to and accepted by Buyer shall be at the Contract price. Payment for unfinished Goods or Services, which have been delivered to and accepted by Buyer and for the protection and preservation of property, shall be at a price determined in the same manner as provided in the Termination for Convenience provision hereof except that Seller shall not be entitled to profit. Buyer may withhold from Seller moneys otherwise due Seller for completed Goods and/or Materials in such amounts as Buyer determines necessary to protect Buyer against loss due to outstanding liens or claims against said Goods and Materials.
   (c) Seller shall promptly notify Buyer if Seller is the subject of any petition in bankruptcy. In the event of Seller's bankruptcy, Buyer may require Seller to post such financial assurance, as Buyer, in its sole discretion, deems necessary. Failure to post such financial assurance upon ten (10) days written notice shall constitute a default under this Contract. The rights and remedies of Buyer in this clause are in addition to any other rights and remedies provided by law or under this Contract.

12. Compliance with Law:
   (a) Seller shall comply with the applicable provisions of all federal, state, provincial and local laws and ordinances and all lawful orders, rules, and regulations thereunder, and such compliance shall be a material requirement of this Contract.
