

JERRY HATHAWAY

Vice President and General Manager,
Electro-Optical & Infrared (EO/IR) Systems
Leonardo DRS

Jerry Hathaway is the Vice President and General Manager for the Electro-Optical & Infrared (EO/IR) Systems line of business. Prior to this appointment, he held several positions at DRS including Vice President and General Manager for Land Electronics and the Network Computing and Test Solutions (NCTS) lines of business and Vice President of Engineering for the Command, Control, Communications, Computers, Intelligence, Surveillance, and Reconnaissance (C4ISR) Group.

Jerry has more than 20 years of experience in the development and manufacturing of products and systems. He graduated from Clarkson University with a Bachelor's of Science degree in Electrical Engineering. He also maintains both a Six Sigma Green Belt and a Project Management Professional (PMP) certification, has been published for technical articles and was recognized as a key contributor to the Horizontal Technology Integration (HTI) second generation infrared technology program by NDIA.
