

RUSS MARSH

Vice President and General Manager, Naval Power Systems
Leonardo DRS

Russell E. Marsh is the Vice President and General Manager of Leonardo DRS' Naval Power Systems, which is comprised of sites in Danbury, CT, Fitchburg, MA, Milwaukee, WI, and St. Louis, MO. The business is a trusted provider of industrial and naval power and control technology systems, oil and gas products, and naval and commercial heating and cooling solutions.

Mr. Marsh joined Leonardo DRS in 2015, holding the previous roles of VP/GM DRS Marlo Coil and VP/Line of Business and Site Lead of Naval Power Systems in Milwaukee, Wisconsin.

Prior to joining Leonardo DRS, Mr. Marsh held various leadership positions in both the Defense and Commercial industries. In the defense segment, he has worked at General Dynamics Bath Iron Works, Northrop Grumman and General Atomics. Commercial assignments include General Electric, Nokia, and Fidelity Investments.

A 1993 graduate of the United States Naval Academy, Mr. Marsh holds a Bachelor of Science degree in Systems Engineering and served 12 years in the Navy, primarily as a Nuclear Submarine Officer. He is married to Ana Paula and they have 2 young boys.
