

JOHN BAYLOUNY

Executive Vice President, Chief Operating Officer
Leonardo DRS

John Baylouny is a veteran of Leonardo DRS and has held a variety of positions within the company prior to becoming Chief Operating Officer. Mr. Baylouny has more than 30 years of experience in the aerospace and defense industry with diverse experience in direct P&L and operational responsibility, general management, product development, program management and product design.

Most recently, Mr. Baylouny served as the Chief Technology Officer of the company and was focused on providing leadership to the technical community with enterprise-wide responsibility for its technology investment strategy. Prior to that, Mr. Baylouny served as Vice President and General Manager of the company's Land Systems and Advanced ISR businesses, among other leadership roles. Baylouny is intimately familiar with the inner working of the company, advancing from engineering to engineering leadership, then on to business leadership roles.

Baylouny has a Master's degree in Electrical Engineering from Stevens Institute of Technology, and a Bachelor's of Science degree in Electrical Engineering from Fairleigh Dickinson University.
